Dear Sirs,

I forgot to mention that the figure in question is from the paper

Haghighat, Mohammad, Saman Zonouz, and Mohamed Abdel-Mottaleb (2015). "CloudID: Trustworthy cloud-based and cross-enterprise biometric identification". In: Expert Systems with Applications 42.21, pp. 7905–7916.

Dear Sirs,

I am interested in reusing Figure 3, "Gabor wavelets in five scales and eight orientations." for my Ph. D. thesis. Would you be so kind as to grant me permission to use the figure? (email response is fine.)

Gratefully,

Charles Zheng
